Chapter 7: Xros Friend!! The Whereabouts of Trust!

TWIN SPEARS!!
To think that I would be forced to go on the defensive
Don't tell me this superpower of Demon Lord class has escaped detection by Bagra Army's intelligence network until now?
Fufu I beg your pardon?
I know most of the big names in the Digital World, however
Of which rural countryside area might you be a noble of !?

That's right I havn't been propper have I?
Let's just say that I come from the feilds of Hell
Gyurururu rururuuru rururuururu
Random Laser
She's weaker than I presumed
Her abilities may be powerful, but she doesn't seem like she's used to battling
ズズズ

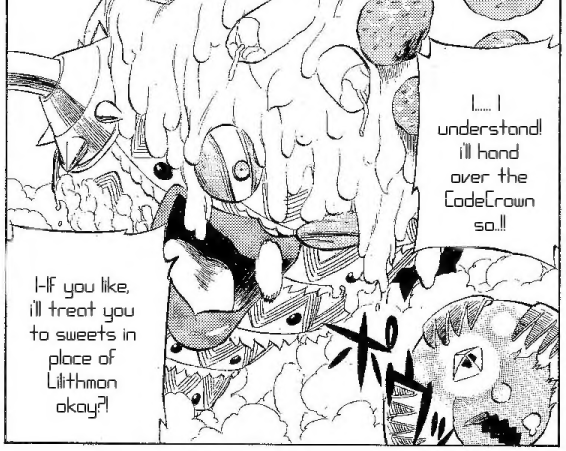
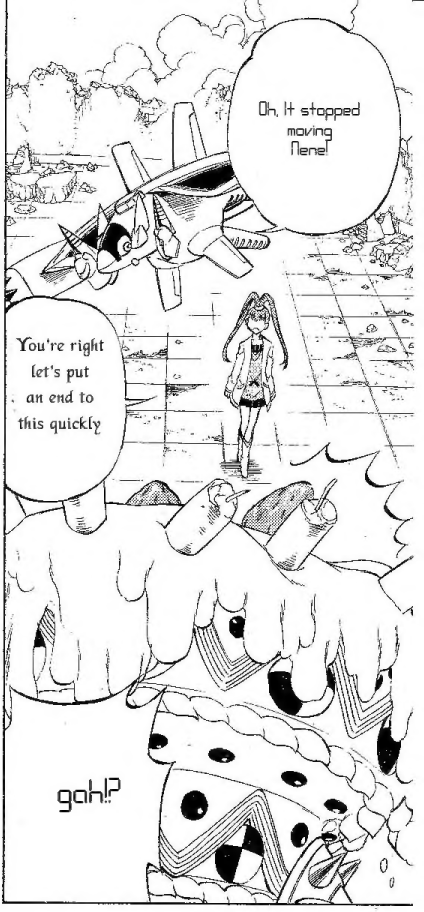
あああ
ああ!?



I-If you like, i'll treat you to sweets in place of Lilithmon okay?!
I..... I understand! i'll hand over the CodeCrown so..!!



Oh, It stopped moving Nene!
You're right let's put an end to this quickly
gah!?

!!

W-wait what?!
What's with her, betraying me like it's natural for her!!

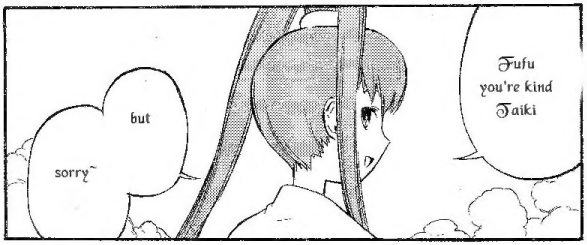
AK

Haha! You shouldn't be looking elsewhere now !
Don't you have me as your partner in this dance!!

tch
!
Ahhh~ little boy, don't you think you're a bit full of yourself?
Don't you?
!

ズ!!!!
Big sis here doesn't like bratty kids who meddle in things they shouldn't
Tch
What a ruthless battle style

EMPRESS EMBLAZE !!!!!!!!
Woh!?
Looks like you've gotten serious, Third commander
It's better if we do it now than if we leave her alive
Sparrowmon, Finnish her off now
w- wait a minute!!
heiiii

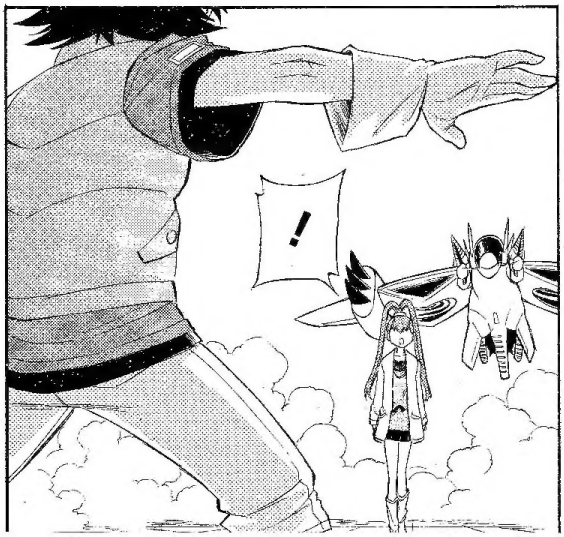


Fufu you're kind Taiki
but sorry~

?
Weddingmon has already givin up!
there's no need to finish her off!

Once someone has betrayed, he'll continue to betray others again and again, you know?
I myself am more afraid than anybody else of not being able to gain others' trust

I don't see the value of
trying so hard to keep the trust that others place in me



!

what's with that face?
?

It's true that she tricked us and betrayed us!
however
She didn't do that to look down on us or to hurt us intentionally!
What do you intend to do?
If she just wanted to defeat us, she could've done what Lilithmon said and poisoned us
however, the reason why she didn't do that, was because she really liked honest sweets
after al that cake was pretty good
you couldn't bare to add poison to it
It's the same reason why she surrendered this Zone without a fight
for these guys, who have no experience battling, surrendering is their only option

these guys they have dreams and goals to make delicious sweets for others to eat with joy
if anyone were to take that away from them
it just wouldn't be fair at all!
I can understand that their desire to make sweets is genuine but even so
that is no excuse to betray those you pledge loyality to
I know that!
but
She's our enemy!
Wha- what does it matter ?!
Taiki !
!
wait! listen to what i'm saying!
we have to defeat her remember Nene?!
It doesn't matter what happens to her anyway
sparrow-mon ?!

Ballista-mon ?!
!!
Ehh!
?
who
W what's with you let go of me!
calm down.
you shouldnt fight with others with those feelings
hmph those children are to carefree
while im here facing of a spoiled princess

when did she ?!
Ugh
tch

this is useless to have
Tch!
What's with him?
cutting his own arm off!!
whoaaw!
-it rotted and melted away !?

my whole body would have rotted away, as expected of one of the top three
if i hadn't reacted then
the demonic poison claws 'Nazar Nail' that corrode anything they touch
A... c-cut.. on my..
face... my beautful face...
C...
Cut...

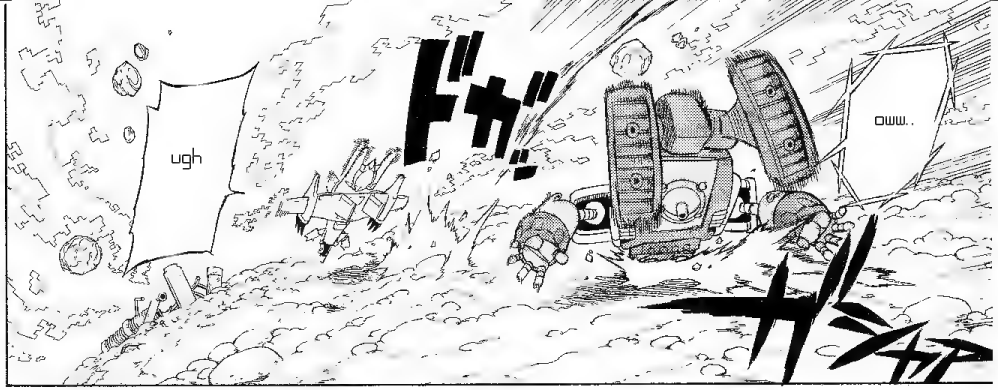
What the!?

uwahhhh what's going on?!
or rather if we leave things as it is this whole zone will vanish
sigh i know that a woman's hysteria can be scary but for it to come to this level is just..
NO WAY !?
i-if we get sucked in by that we can't return!!
h-her anger caused a space-time drift to spit open!?
after all i really just need to get the CodeCrown
Well i guess it's okay~!

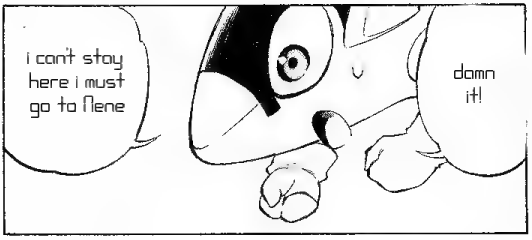
MY BODY'S GETTING SUCKED IN!!!
Ceasefire for now Sparrowmon!
shut up !!
like hell i'll listen to peoplee who give Nene trouble!
ahhh!
watch out
w-who
oooh dammit! let go of me!!
no way!!
did i just explode?
if i let a zone get annihilated again
the Emperor will get mad~!!

S-Sparrow-mon!!
To-Taiki!! Ballistamon !!
Waah?!
tch !!
holy
S-SHIT!!
ku, this is not good
if this goes on we too will be

What did you do?
The flow stopped!?
hah!
really, i wasn't planning to spend all the magic power that ive been saving for this
closing the space-time rift
what about those who got sucked inside?!
w-what?!
!
waaah!!
ha?!



ugh
ドガ
oww..
ガシャア



i can't stay here i must go to Nene

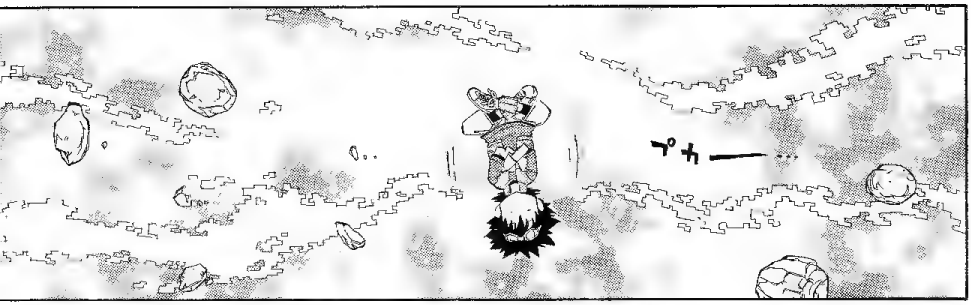
YOU !DIOT! !DIOT!
what should we do.
ポリポリ
EVEN THOUGH I PROMISED TO EAT CREPES TOGETHER WITH NENE AFTER THIS !!!!
WAAAH!! I'M LONLEY I'M HURT I'M HUNGRYY !!
ゴゴゴ
I always keep some on me, would you like some?
しゃくしゃく
aaah!! DigiNoir!!
gyaa!!
どかーん
ひょい
yay~~! i'll have some then!
I don't mind sharing
eeeh!? really?!

w-what?! what's wrong with finishing off my enemy!
Nene said that it was okay to destory the enemy as many times as i want to!
even if she said that it's not right
what's that!? are you making fun of me?!
if you don't behave i won't share my DigiTair
you were going to finish off an injured opponent that wasn't going to surrender to you
among them there might be someone you can relate to
everybody has their own reasons to fight
you shouldn't just make any opponent out as an enemy
i'm not saying that you shouldn't fight back
they could become your friend one day you know?
just that you don't have to defeat them completly
if others come attacking i'll get defeated if i don't fight back!
th-then what should i do?

Sei how bout it!
join with me!!
We could protect
this Zone
YEAH!
Ballistamon
!!!
in the past
I was afraid
of fighting
my home-town
zone
was captured
the bagra
army did
after that
I got angered by
shoutman whom I
met in Green Zone
Sei
with me!!
help me
protect
this zone!
you have
a tough body
and great
power
show your
courage and
shout loudly!
I am who
I am!
you may have gone
through painful
experiences
and be in a gloomy
mood
but so what!
when you
hit each other
at full strength
with your feelings
it's possible
to make
friends that
way too!

that girl she's.
....
Is Amano Nene your friend?
huh?
To him battles are just like words or songs they're a way to convey your feelings to your opponent
Ah! yea, she is!!
Nene is my bestest friend~ she reads me books, sings me songs even gives me sweets to eat
I love Nene sooo much~
shoutmon's a weird guy, he naturally gets mad or goes into a rage according to his feelings
that's why i'm following him now. I want to see the Future Digital World he shall make!
if you really treasure her a lot
you can't just listen to whatever she says without thinking
.....

if you can't do that
when she is really suffering, you won't be able to save her
friends should accept each others' weaknesses and inexperience
if they have any faults you should try to correct them
……?
wh-what are you saying?!
that sounds complicated i don't understand
you can have some
but try to remember and think about what i said? okay?
……
ゴゴゴ
!



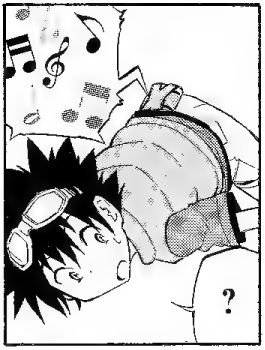
ヤバ――…

not just that...

Hmm this is a problem
usually the CodeCrown would lead us to another zone
but without it how are we supposed to get out of this space?

but that cake i ate earlier is all done digesting
there's no restroom here !!

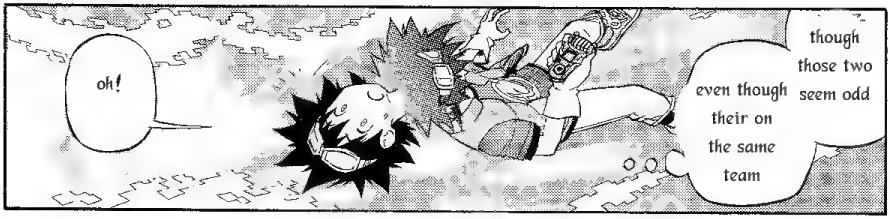
what is this?
Just maintaining this gate will continue to expend a vast amount of my power



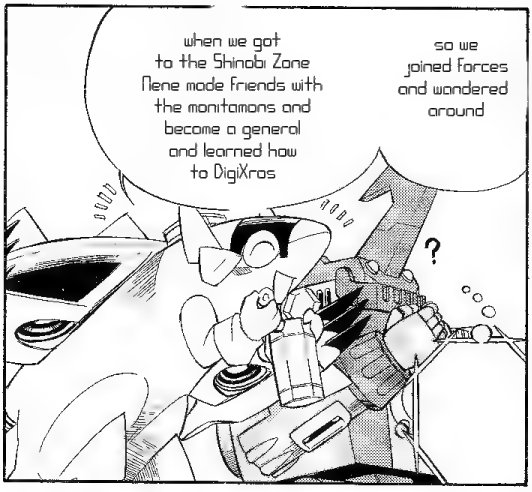
?

If your hesitating due to one battle memember you have your priorities wrong!
I need to get out of here fast
Seems like their not agreeing

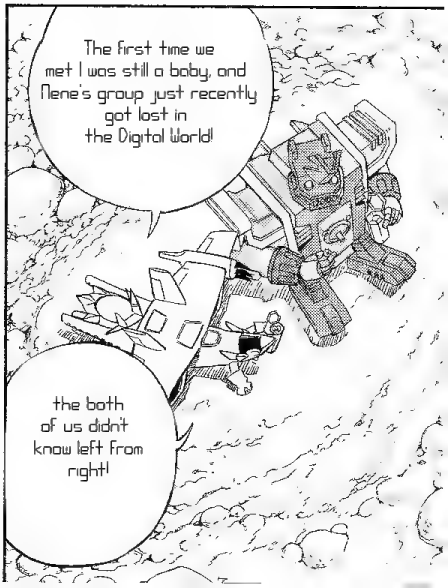
Sparrowmon isn't an indisposable neccessity in our plans!
But I Need Sparrowmon! I can't loose her yet!
these voices Nene.. and Dark-Knightmon?
Their connected through the Xros Loaders?



oh!
even though their on the same team
though those two seem odd



when we got to the Shinobi Zone Nene made friends with the monitamons and become a general and learned how to DigiXros
so we joined forces and wondered around
?



The first time we met I was still a baby, and Nene's group just recently got lost in the Digital World!
the both of us didn't know left from right!

Then there was that time! some SkullKnightmon and DeadlyAxemon came to the village
huh? Katone? Who's that?
they said they would save Katone and made some deal with Nene
But then for a while Katone's Condition got really bad
She was always sleeping and wouldn't open her eyes
eh? oh! Katone is Nene's little sister!
W-w-w-wait a second
She's so small and cute!
Who's Katone? Is she a Digimon?
Owww! you said it on your own!
Idiot!! it's because you asked stupid things!
oh shoot! that was supposed to be a secret!!
ぽか
ぽか
ガラ
That explains some things
after they joined the team Nene changed
a lot
but i hate SkullKnightmon and DeadlyAxemon !!
So there are other humans here???
L-little sister?!

eh.. well not exactly..
Taiki! you're okay!
I was curious if you could tell us a bit more about Nene,
Do you um have paper?
or something similar.... maybe
nice cute
Please enjoy this image since the real one is unsightly and gross
You smell.. so don't come closer
yes.. though you should wash your hands...
Alright! we're all set now!
As expected of Ballistamon!! always prepared!

Sparrowmon I'll need to barrow your power for a while, alright?
Escape!?
!?

Wait! DarkKnightmon!

You seem quiet interested in him for some reason
however we can also use Kiriha Aonuma from BlueFlare so he is disposable

What will you do about Taiki!
We need him! he's a general. He can not be removed from our plans.

Okay! So why don't we talk for a while
It could help us pass the time while we escape from this place

I refuse to spend any more of my power keeping it open
This power was for the bagra army. to defeat them with
but we need him!
it has to be him!
our wavelengths match more!
it's worth while to wait a bit longer!
I flew over here after catching word that Taiki Kudou would be here
Though it seems something strange has happened
!
Wait.. is she..
What do we have here?
trying to stall time for Taiki.. to escape?

DIGIXROS!!!
Spar-row-mon!!
Ball-ista-mon!!
SPARROWMON AB (AFTERBURNER)
You seem to be arguing on about who is and isn't useful
You, DarkKnight-mon seem to be the one taking the selfish side of the arguement as well
So you're the one who's got that girl under your comand
Kiriha...

I've never flown this fast before!
Dogyurururu ~~~n!!!
So with this we won't get the paralysis effect so long as we make it to the exit
since a DigiXros form can withstand the corrosion of this place for a longer time
we can escape if we continue flying while you two are DigiXrosed
Nene seems to know though. something about 3 generals and a plan
I dunno
Did it have something to do with her sister? Kotone?
What's his motive?
What was the deal she made with DarkKnightmon?
Sparrowmon! if you may could you continue telling us about Nene?
So he's aiming to use me, Kiriha and Nene in some kind of plan?
The 3 Generals? needed for a plan?

WAIIIT! NOT SO FAST!
I thought I mentioned it earlier..... oppps
Don't 'Opps' me! that was important information !!
there arn't 4 generals! right...
Huh?! but wait then he's short a person!!
WEll Kotone's one too. didn't i mention it?
Ummm he's not using Kiriha Aonuma
He said that Kirha's and Taiki's color compatibility is bad so we can't use both
hah... !?
